Fitzgerald indicated he would be going to Rhodesia on 7 July in the company of the Executive Director of the American Conservative Union. Fitzgerald's purpose is to report to Senator Garn first-hand on the political, military and economic situation in Rhodesia. 2. (Unclassified - DFM) LIAISON Received a call from Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, who referred to Admiral Turner's letter to 43 Senators announcing they would now routinely receive unclassified Agency publications. Hatry said Bill Miller, Committee Staff Director, would like to send the reports to all 100 Senators rather than just 43 and requested additional copies of the reports already sent to the Committee for the other Senators. Hatry also indicated the Committee was expecting inquiries on the reports and would like to have a list of American universities where CIA unclassified documents can be viewed and details of how citizens can obtain the documents through the Library of Congress.
